

VideoRobot Agency License

This document serves as the resale rights license for the videos you create using VideoRobot App. Before selling the videos to clients, or transferring rights to others, you certify that you have read, understand, and agree to be bound by the terms set forth in this resale rights document.

Under the terms of this license, you now have the ability to sell the videos that are created with the VideoRobot Software, while keeping 100% of the profits as your own, on any sales generated through your own efforts.

All avatars and templates are property of VideoRobot.io - you cannot combine them together and sell them in direct competition to VideoRobot app as a part of another “competing” product/software on forums, Jvzoo, Clickbank, and other sites.

You can create and sell unlimited videos with motion animations, effects and more for your clients with no restrictions.

You cannot claim ownership to the avatars inside VideoRobot

Under the terms of this license, you agree to sell only in cases in which a purchase of the software itself is made, when included with another product that is being sold (for example, as a bonus), or as part of a membership website in which a fee is charged for access.

You may NOT give away access to the VideoRobot software, or the rights to the VideoRobot software, to any person, or entity, under any circumstances.

Under NO circumstances shall the VideoRobot software, or the rights to the VideoRobot software be sold.

You further agree that you shall not imply or infer in any way that you are our partner or employee on any sales material, advertising, or in any correspondence with prospective or current customers.

We make no warranties or representations with regard to your ability to sell videos created with VideoRobot. You further understand, and agree that we, and other licensees, may at any time sell videos created with VideoRobot in direct

competition with you. You certify that you have independently evaluated your purchase of the rights to the VideoRobot created videos.

And are not relying on any representation, guarantee or statement other than as set forth in this license. You understand that your results will necessarily vary. No guarantees of income are implied, or guaranteed as a result of your purchase of this product, and/or the rights to distribute the videos created by the product.

In no event shall we be liable for special, incidental, consequential or punitive damages, including, without limitation, any damages resulting from loss of profits, loss of business or loss of goodwill arising out of or in connection with this product whether or not we have been advised of the possibility of such damages.
